Options/Discussion:**Background**

The interim tax levy by-law is required in order to provide funds to assist in financing daily operating requirements until the final tax rates are set and the final tax bills are issued later in 2026.

Analysis

The [Municipal Act, 2001](#), as amended, (the Act) provides that the amount to be levied shall not exceed 50% of the total amount of taxes levied on the property in the previous year. For properties where assessment was added to the collector's roll during 2025 as supplementary tax levies, the 2026 interim taxes will be based on 50% of an annualized 2025 amount. Where new assessment has been added to the 2026 roll, the interim tax levy will apply to the new assessment. For these properties, an interim billing adjustment will be applied to ensure the levies do not exceed the maximum amounts allowable under the Act.

To provide for the February 27, 2026 due date, tax bills must be mailed no later than February 6, 2026 to allow for the required 21 days' notice.

The draft interim tax levy by-law is being presented to Council to provide for the interim property tax billing.

Payment methods, as provided for in the draft by-law, include:

- in person at City Hall (216 Ontario Street)
- at any financial institution in the City of Kingston area having payment arrangements with the City of Kingston
- through banks offering telephone and internet payment plans registered with the City of Kingston
- by using one of the 24-hour drop boxes located at City Hall and 1211 John Counter Boulevard
- by mail
- at Canada Post outlets where MoneyGram Bill payment services are offered
- by pre-authorized payment under the City's pre-authorized property tax payment program and
- by **Visa or MasterCard** online or over the telephone through Paymentus Corporation, a third-party bill payment service (Paymentus charges the payor a separate convenience fee per transaction).

January 13, 2026

Page 5 of 5

The draft by-law also provides for the imposition of late payment charges, at a rate of 1¼ per cent per month, for the non-payment of taxes. Penalty charges are imposed for the non-payment of taxes on the first day of default and interest will be charged on unpaid taxes on the first day of each month thereafter.

Existing Policy/By-Law

[Municipal Act, 2001](#), as amended, which allows Council to pass by-laws for the purpose of levying an interim tax levy before the adoption of the estimates for the year.

Financial Considerations

The interim tax levy, for municipal and school purposes, will provide revenues of approximately \$181M. This revenue will assist in financing daily operations and payment of education levies, reduce reliance on short-term borrowings, and maximize investment income. In order to provide the necessary cash flow, and as provided for in the *Municipal Act, 2001*, as amended, the interim tax bill represents 50% of the previous year's total tax levy.

2. The percentage under paragraph 1 may be different for different property classes but shall be the same for all properties in a property class.
3. For the purposes of calculating the total amount of taxes for the previous year under paragraph 1, if any taxes for municipal and school purposes were levied on a property for only part of the previous year because assessment was added to the collector's roll during the year, an amount shall be added equal to the additional taxes that would have been levied on the property if the taxes for municipal and school purposes had been levied for the entire year; and

Whereas sub-section 317(5) of the *Municipal Act, 2001*, contains the following additional rule:

1. Amounts may be levied on assessment added to the tax roll for the current year that were not on the assessment roll upon which the amounts are levied; and

Whereas clause 342(1)(a) of the *Municipal Act, 2001*, c.25, as amended, provides that the council of a local municipality may pass by-laws providing for the payment of taxes in one amount or by instalments and the date or dates in the year for which the taxes are imposed on which the taxes or installments are due; and

Whereas sub-sections 345(2) and (3) of the *Municipal Act, 2001*, contain the following additional rules:

1. A percentage charge, not to exceed 1¼ per cent of the amount of taxes due and unpaid, may be imposed as a penalty for the non-payment of taxes on the first day of default or such later date as the by-law specifies.
2. Interest charges, not to exceed 1¼ per cent each month of the amount of taxes due and unpaid, may be imposed for the non-payment of taxes in the manner specified in the by-law but interest may not start to accrue before the first day of default; and

Whereas sub-section 346(2) of the *Municipal Act, 2001*, c.25, as amended, provides that the council of a local municipality may pass by-laws to provide for the payment of taxes by any person into a financial institution to the credit of the treasurer of the municipality and, in that case, the person making the payment shall be entitled to be issued a receipt by the institution for the amount paid; and

Whereas Council deems it expedient to pass a by-law for such purposes;
