

**MAAC Project Team Request – Director’s Approval**

Project Manager: Katie Brennan

Project Contact: Katie Brennan, [kbrennan@cityofkingston.ca](mailto:kbrennan@cityofkingston.ca)

Project Name: New Fire and EMS Station

Project Location: 495 Taylor Kidd Boulevard, Kingston, ON

Project Description: Provide a brief project overview including a description of the scope of the work and estimated timing for initial meeting and completion of the project.

New combination fire station and emergency medical services (EMS) station. The majority of the building will not be accessible to the public, and due to the nature of firefighter and paramedic work, most of the building is not required to be accessible. However, the public spaces will fully comply with FADS including:

- Accessible front and rear entry
- Universal washroom on ground floor
- Accessible classroom
