To whom it may concern,

Please find this a letter of support for Tamara van Dyk, a board member for Kingston and Area Associated Museums, Art Galleries and Historic Sites (KAM) has been selected to site to join the Kingston City Arts, Culture and Heritage Advisory Committee as a representative of KAM.

Tamara van Dyk is the Site & Visitor Experience Manager at Bellevue House National Historic Site. She has been on the board for four years and the manager at Bellevue since 2020.

Before arriving at Bellevue, she grew up in Hastings - Prince Edward County. Her career has taken her all over northern Ontario and western Canada. She comes to us with over 35+ years of experience as a heritage interpreter, park naturalist, outdoor educator, historic re-enactor, and a manager; with local experience working for the St Lawrence Parks Commission, Ontario Parks, Parks Canada and various not for profit agencies, working front line and behind the scenes within the tourism field. She has been part of the renewal of Bellevue House National Historic Site and welcomes the opportunity to build connection to community by joining this committee.

Should you have any questions or require additional information please reach out to me.
